

Landmark Title Assurance Agency Named 2023 Best Places to Work Honoree

Landmark Title Assurance Agency was recognized as one of the top 20 Best Places to Work in the small business category by Phoenix Business Journal. The final rankings were revealed at the awards event held Thursday, Dec. 14, at JW Marriott Camelback Inn Resort in Scottsdale, presented by Cornerstone Staffing.

Quantum Workplace tallied the employee surveys and selected this year's top businesses in each category that went above and beyond to attract and maintain talent, from working hybrid to doling out employee stock options.

“It is an honor to be named one of the best companies to work for in the fifth largest city in the U.S.,” states Vicki Etherton, president of Landmark Title. “It means even more to know that this recognition is based wholly on employee input and to not only make the list, but to be the only title company named across all categories.”

Nearly 700 people attended the Viva Las Phoenix-themed event, which honored 99 businesses and nonprofits ranked in six different size categories based on the number of employees. From a pool of 229 nominations, the submission and judging process was handled through Quantum Workplace,

which distributed surveys to all full-time and part-time employees of the nominated organizations. The size categories include micro (10-24 employees), extra-small (25-49 employees), small (50-99 employees), midsize (100-249 employees), large (250-999 employees) and extra large (1,000 employees or more).

In 2013, the company began operating as Landmark Title with one office in Phoenix under Vicki Etherton's leadership. Landmark Title is headquartered at the Esplanade in Phoenix with six additional branches located throughout Greater Phoenix, plus an office in Prescott. The firm also has operations in Nevada with branches in Las Vegas, Reno and Incline Village near Lake Tahoe. To learn more about Landmark Title and its services and expertise visit ltaag.com.
